My dear Mother

I have not  
time to write you a very  
~~long~~  
~~note~~  
letter this morn-  
-ing as I have to write  
write to Mrs Watts. I want  
you to send me those  
Ivanhoe's "cause I

cannot wait till the  
holidays. I went out sketch-  
ing yesterday by myself  
and I saw a lot off  
nice cows and a bull  
going along a road  
so I followed them  
into their meadow  
and made some  
sketches and then came  
home. The Dr has won  
the monthly medal

at Golf yesterday  
so I should say the  
others must have played  
badly. I suppose you  
know I am doing a Melée  
out of Ivanhoe it is  
getting on slowly.  
I am going to school  
tomorrow boo-hoo-o-o-  
I hope Ailsa & Margery  
& Granny etc are all  
right. I wish letter

writing was at the ~~the~~  
bottom of the sea  
with tons of stuff (you  
know what) from your  
loving son  
Brian

this is the kind of little cow  
I was sketching yesterday  
very small shetlands.
